

ASHLEY ZUFELT

Web Front End Developer & Designer
www.ashleyzufelt.com

OBJECTIVE

I'm a web developer unicorn with an amazing background in visual design, photography, and digital media creation. I have a rare love of debugging code and am super-skilled at mastering new technologies. With my powers combine, I'm excited to develop amazing, semantic websites that are fast, well-designed and make an impact.

SKILLS/TECHNOLOGIES

- HTML5 / CSS / JavaScript
- JSON / API / CDN
- Github / CodePen
- VS Code
- Browser Developer Tools
- Adobe Creative Suite:
 - Photoshop

- Digital & Web Design

VOLUNTEER LEADERSHIP

I find ways to be a leader within my industry, like organizing and maintaining a professional educational group of more than 20 participants, as well as in my community by volunteering to lead a female youth organization focused on teaching leadership, self-improvement, and community outreach.
